MOTION TO RECUSE JUDGE AND BE RELIEVED AS COURT APPOINTED ATTORNEY

NOW INTO COURT comes Richard "T-Dale" Woolbert, court appointed attorney for Defendant, who respectfully Moves the Court as follows:

1.

Defendant is currently set for jury trial on September 8th, 2021; however, he has indicated that he wishes to waive his right to a jury trial and be tried by the Judge alone. Defendant's counsel of record has communicated this to Ms. Anna Garcie, the Assistant District Attorney prosecuting the case, and she did not object to this waiver.

3.

On the morning of trial, Defendant disclosed to counsel of record, in the context of attorney client privilege, that outside of court and via text message he had communications with the Honorable Judge Beasley about this case and the possible outcome. Counsel of record does not make any allegations that the communications actually took place.

4.

Defendant's counsel of record feels it is necessary to file this motion and ask that Judge Beasley recuse himself from this matter.

5.

Defendant's counsel of record further feels it is necessary to be relieved as court appointed attorney of record for Defendant and that a new attorney be appointed.

WHEREFORE DEFENDANT'S COUNSEL OF RECORD PRAYS for an Order of this Court recusing Judge Beasley.

FURTHER PRAYS for an Order of this Court relieving him as court appointed attorney for Defendant.

Respectfully submitted,

BY:
